

Everett Railroad

Saturday April 5, 2025

Join us in our 25th year of excursions on this railroad. In the previous twenty-four trips, the runs totaled 55- 60 miles. We expect the same in 2025. The set-on is in Hollidaysburg, PA . We will travel south to Claysburg and turn the cars. Restrooms will be available. Then we will return to Hollidaysburg, turn the cars, and travel south to Roaring Spring's RR station, where we will take our lunch and restroom stop. Lunch and ice cream will be available at the station. Details will be sent to those who register. After lunch we will continue south to Martinsburg, turn our cars on the wye, and retrace our route back to Hollidaysburg with an ice cream stop at Roaring Spring Station on the way. This will be a Northern Central Railcar Assoc. excursion. NARCOA rules will be enforced. There is a 45-car limit. The cost is \$60 per car.
